GENERAL INFO

Hello and welcome to Thompsons Gymnastics Center. This will mark our *twenty ninth* year of providing quality preschool and gymnastic classes! We hope your first day was fun and you feel comfortable with your instructor and the other students in your class. During the first few weeks, much of our time will be spent getting to know one another. All students, "gym rompers" to advanced gymnasts, need a week or two of basic gymnastic progression to set the foundation for a great session ahead. All of you will be challenged to do your personal best in the coming weeks.

PAYMENTS

The first payment (half of your balance) is due on the first day of class. The final payment for this session is due by the fifth week of classes (October 6-12). You may make your payment at the office, at our payment box located on the left of the gym door, or mail your payment to:

Thompsons Gymnastics,
200 Old Lyman Road,
South Hadley, Ma 01075.

*To receive the full year discount, your full year balance must be paid by November 7, 2009.

2ND SESSION

Registration for the second session begins, December 1. Look for details in early November.

LOBBY

Please use the coat room located to the right of the girls room for all your coats and shoes. USE the racks in the coat room, do not put clothes on the floor. Parents PLEASE supervise your children while in the lobby!

PARKING LOT

*Our parking lot is one way - follow the signs and arrows at all times

*We would like to remind you that our parking lot and surrounding woods are not a playground. That means no soccer, no hockey, and no throwing rocks!

*If you choose to wait for your child outside in your car, please park in a parking spot. There is no waiting in your car in the middle of the parking lot.

WAITING INSIDE

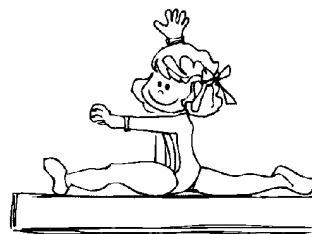

Parents, please let your children know they must wait inside the building until you arrive.

INCLEMENT WEATHER

Call one hour before your class in bad weather. We will be here to answer your call or we will leave a message on our answering machine concerning any cancellations.
